

Wi-Fi Services Onboard Ship

Wi-Fi services are available throughout the Celebrity Cruises® fleet, except for our Galapagos-based ships.

Premium Wi-Fi Package

7.99 per day per device preordered

10.99 per day per device purchased onboard

Post and share all your vacation memories on social media with Premium Wi-Fi. Message or video chat with your friends and family, browse the web and send emails even with larger files attached. Plus, you can enjoy videos, movies, binge-worthy shows, and music on your favorite streaming apps.

Basic Wi-Fi Package* (Included)

You can browse the web, send emails, and text family and friends via select messaging apps. It's a great value option for staying connected while you're on vacation, but please note that you won't be able to email large files, share photos or videos on social media, use streaming apps, or make video calls.

**Basic Wi-Fi is only available with eligible "All Included" rates or guests that purchased Basic Wi-Fi before June 1, 2023.*
